

Jesuit Control of Banking explained by Eric J. Phelps

<https://www.youtube.com/watch?v=y-OY4bLjWZo>

00:00
the Federal Reserve Bank is run by the
00:04
jesuits and the Federal Reserve Bank is
00:06
modeled after the papacy I quote to you
00:10
from a book titled secrets of the temple
00:12
how the Federal Reserve runs the country
00:15
by William Greider GRE IDE are Simon
00:19
Shuster we look on page 55 Richard siren
00:26
sy Rona vice president of the Boston Fed
00:29
we serve for a time as special assistant
00:32
to Walker here's another irish-catholic
00:35
suggested that the institutional
00:37
temperament in structure of the Federal
00:39
Reserve System most resembled the
00:40
Catholic Church it doesn't say the
00:44
synagogue of Satan it says the Catholic
00:48
Church in which he had been raised quote

00:52
the system is just like the church that
00:55
is the Federal Reserve System is just
00:57
like the church it's probably why I feel
01:00
so comfortable with it it's got a pope
01:03
the Chairman and a College of Cardinals
01:06
the governors and bank presidents and a
01:09
Curia the senior staff the equivalent of
01:12
the laity is the commercial banks if
01:15
you're a naughty parishioner in the
01:16
Catholic Church you come to confession
01:18
in this system if you're naughty you
01:21
come to the discount window for a loan
01:24
we even have different orders of
01:26
religious thought like Jesuits and
01:28
Franciscans and Dominicans only we call
01:32
them pragmatists monetarists and
01:35
neo-keynesian z' unquote here it is the
01:42
Federal Reserve System likened to the
01:44
Catholic Church by an Irish Catholic
01:47
himself who was a special assistant to
01:49
Paul Walker if we look in admiral
01:54
Manhattan's work the Vatican billions he
01:56
also tells us that the Vatican has gold

01:59

stored in the Federal Reserve Bank now

02:01

I'll tell you if there were a bunch of

02:03

Jews running the Federal Reserve Bank do

02:05

you think the papacy would allow them to

02:07

hold its gold if those Jews weren't

02:10

subordinate to the Pope no way

02:14

no way if I was the Pope I wouldn't

02:19

anybody the holds my goal better be my

02:22

servant then do what I tell him

02:27

otherwise you're not holding my gold

02:29

doesn't that makes sense okay you see

02:34

that the Federal Reserve is controlled

02:35

by the Jesuits it's modeled after the

02:37

papacy the Federal Reserve Board

02:39

governed the Federal Reserve is the Pope

02:42

now let's take a look at these big nine

02:44

banks we shall review these nine banks

02:48

after we come back from the station

02:51

identification and they are Goldman

02:53

Sachs Morgan Stanley Merrill Lynch Bank

02:57

of America Citigroup Wells Fargo JP

03:01

Morgan Chase Bank of New York Mellon and

03:03

State Street Corporation

03:06
mr.brother Eric John Phelps biblical
03:08
truth and history and prophecy we shall
03:10
return and show you how the Jesuits are
03:15
controlling these biggest banks of the
03:17
country
03:22
Jesus bread
03:26
amen whether John Phelps biblical truth
03:29
and history and prophecy returning to
03:32
you this beautiful Wednesday as we begin
03:36
to examine these nine big banks but the
03:40
Jesuits in control of the Federal
03:41
Reserve Bank as well as the US Congress
03:44
through special individuals have granted
03:47
over 700 billion dollars and they're
03:50
going to hold us us working stiff as
03:53
collateral for this debt which spells
03:57
slavery for us so we need to understand
04:00
these men who have done this to us and
04:02
we need to resist them wherever we might
04:04
be whether we're a lawyer a judge a
04:07
doctor economists the journalists we
04:11
need to set our sights on exposing the
04:14
power of this Jesuit Order in our

04:16
country that we might not be destroyed
04:19
because if this persists we will be
04:21
destroyed
04:22
they love money they love gold and
04:25
silver they've hoarded it all and now
04:28
they're moving in for the kill but you
04:31
know the Lord always raises up the
04:32
standard when the enemy comes in like a
04:35
flood and you know my white brethren
04:37
that's you that's you you have the honor
04:42
to be in the place of the standard that
04:44
the Lord raises up against these evil
04:46
wicked sinful spiritual bastards who
04:49
hate the Bible who hate the Reformation
04:51
who hate the middle class and who a hate
04:54
progress if you don't believe the
04:55
Jesuits hate progress you just read Pope
04:58
Pius the ninth syllabus of errors where
04:59
you get condemns completely and totally
05:01
modern progress how can you have modern
05:05
progress if you have a banking system is
05:07
wrecked all right the first bank we're
05:11
looking at is goldman sachs now the

05:14
chairman and CEO of goldman sachs at
05:17
this moment is lloyd blankfein obviously
05:21
a racial jew Gary Cohen president and
05:25
chief operating officer who is a racial
05:28
Jew and John Winkle Winkle
05:31
read which appears to be by that last
05:35
name a racial Jewish president and chief
05:38
operating officer so we have
05:40
touken jews manning goldman sachs but we
05:44
have some very powerful papal knights
05:47
that have been with goldman sachs and i
05:50
will read to you this man's name his
05:54
name is Jeffrey T BOC Jeffrey T BOC
06:00
he's the knight of Malta a Roman
06:03
Catholic
06:05
mr. BOC is a trustee of the Carnegie
06:08
Corporation of New York the Chairman is
06:11
Senior Partner of round table Investment
06:13
Partners a General Partner in their own
06:16
group special limited partner of the
06:19
Tremont group remember the board of
06:21
directors of Freddie Mac Wow so here's
06:24
the knight of Malta on the board of

06:26
directors of Freddie Mac you think this
06:28
knight of Malta had anything to do with
06:29
the crash of Freddie Mac do you think
06:32
they crash certain of their institutions
06:36
for their own benefit of course they do
06:41
an overseer of the Wharton School by the
06:44
way the Wharton School of Economics is
06:46
the most prominent
06:48
economics school there in New York City
06:50
and Donald Trump that knight of Malta
06:52
attended that after he attended Jesuit
06:55
Fordham a trustee of the orders Boston
06:59
College so he's a trustee of the Jesuit
07:02
orders Boston College
07:04
AJ a director of CFR controlled
07:07
Brookings Institute he is a trustee of
07:12
knight of Malta Joe P Kennedy
07:14
enterprises he's a member of the
07:16
Trilateral Commission that's right Alex
07:19
Alex Jones let's bring in the knight of
07:21
Malta Geoffrey T Biasi as a member of
07:25
the Trilateral Commission and let's take
07:27
that to Rome let's blame the Pope now as

07:30
we ought to a trustee of the papal
07:37
foundation mr. BOC has been vice
07:40
chairman of JP Morgan Chase serving as
07:42
CEO of JP Morgan evidencing the bond
07:45
between both Morgan and Rockefeller
07:47
empires and by the way I'll get into
07:49
this the JP Morgan Chase came out of
07:53
Chemical Bank
07:54
and Chemical Bank was strictly run by
07:59
the Knights of Malta J Peter grace who
08:01
ran his W our graison company out of New
08:03
York City banked with Chemical Bank I
08:05
studied him he had eleven Knights of
08:09
Malta on his board with him JPMorgan
08:14
Chase is a continuation of the Knights
08:16
of Malta Chemical Bank he is a founding
08:21
member of the beacon group later
08:23
acquired by Chase he's a senior member
08:26
of goldman sachs serving as a partner in
08:30
charge of global finance so here's this
08:33
knight of Malta Jeffrey tibi ah CBO is I
08:37
google him and this guy is a man of
08:41
power Goldman Sachs so even though the

08:44
name is Jewish the Knights of Malta run
08:47
it receiving the Cancer Research
08:53
Institute's of Oliver our grace award
08:55
and honored by John Paul the second as a
08:57
steward of st. Peter
09:00
so Biasi is nothing more than one of the
09:02
great merchants one of the kings of the
09:05
earth of great merchants of the earth
09:07
serving room that great city and he is a
09:10
partner in charge of global finance at
09:13
Goldman Sachs Goldman Sachs is to be
09:17
given 10 billion dollars in this gift
09:22
from the Federal Reserve Bank through
09:24
the American Congress by the way that
09:28
barack obama and john mccain both voted
09:30
for so what's the difference you white
09:33
men to go to vote in these federal
09:35
elections and if you vote for Obama or
09:36
you vote for McCain you're giving a
09:38
mandate for those sinners to tell you
09:41
what to do and they both serve the Pope
09:45
when are we going to wake up and
09:47
advocate secession

09:50

that no matter which horse is running

09:53

the house owns them both and the house

09:55

wins on them both

09:57

it's worse than a casino it's Goldman

10:02

Sachs on September 21st 2008 the Federal

10:08

Reserve approved the transition from an

10:10

investment bank to a bank holding

10:12

company
